Our 8th Stereoscopic weekend was one of the most successful 3D Weekends in terms of attendance, venue, participation and variety of film and digital programs. John Waldsmith has already made arrangements for the 3D Weekend next year in the same place, May 5 & 6 2012. I would like that thank everyone who contributed to the success of this event and I hope we can count in your contribution next year too. Here is a collection of pictures from this event, taken by Rich Golan, Debbie Motley and myself. I look forward to the first weekend in May 2012! - *George Themelis*
